

30 Sensational Soccer Logos

Christopher Jackson

With the Euro 2012 tournament in full swing, the quarter finals being battled as we speak, now is a great time to take a look at some creative uses of soccer balls in logo design.

The simplicity of a soccer ball lends itself well to some bold logos, and allows the clever designer lots of room for creativity. Here are some of our favorites, starting with the official UEFA Euro 2012 logo.
